Mr. Charles Redd  
La Sal, Utah

Dear Sir:

*Montezuma Cor. Distr.*  
REL: ~~GENERAL~~.

On September 16, an abstract of water rights in good standing on North Montezuma creek and tributaries was mailed to you. You later informed me by letter of September 28 that you had no record of having requested said abstract. Will you, therefore, be kind enough to return it.

Yours very truly,

T. H. Humphrys,  
STATE ENGINEER.
